Rosedale Swing Company is a new local company based out of Chilliwack.

Dear Quinton,

Spring is just around the corner and as the sun starts to shine through the windows and the days get longer, I start craving colour inside. I also start to realize my house is not as clean as I thought it was...time for spring cleaning and maybe a bit of paint! We have some fantastic products here in the store to make these jobs easier and yes, greener.

Thank you for your continued support,

Moriah Power
